

ABHISHEK SHIVLOCHAN SAHANI

Full Stack Web Developer | Frontend Developer | React.js & Python Developer

+91 9309410683 @sahaniabhishek311@gmail.com abhi930941.github.io/Portfolio Bhiwandi, India

SUMMARY

Full Stack Web Developer with practical experience building responsive and scalable applications using HTML5, CSS3, JavaScript, React.js, Python, Flask, Bootstrap, and Tailwind CSS. Completed an internship focused on UI development, API integration, and performance optimization, improving front-end efficiency by 25-40%. Skilled in creating AI-integrated features, implementing REST APIs, and engineering automationdriven workflows. Committed to delivering clean, efficient code and developing highperformance digital solutions.

INTERNSHIPS

Website Design & Development Intern IStudio

- 05/2025 - 07/2025
- Developed 10+ responsive web pages using HTML5, CSS3, Bootstrap, and JavaScript, improving UI responsiveness by 40%
 - Constructed frontend components using React.js and Tailwind CSS, reducing load time by 25% and enhancing user engagement
 - Debugged UI issues and improved stability, reducing front-end defects by 30%
 - Integrated REST APIs and optimized data rendering speed by 20% through efficient API handling
 - Utilized Git and GitHub for version control, reducing code conflicts by 50% and improving workflow efficiency

PROJECTS

YouTube Thumbnail Pro

- 2025
- Full-Stack Design Tool
- Engineered a full-stack thumbnail design tool using HTML, Tailwind CSS, Python, and Flask enabling users to create designs 60% faster through real-time editing and live preview.
 - Optimized rendering and UI responsiveness, reducing load times by 35% and improving workflow efficiency.
 - Deployed the platform on Render, ensuring 99% uptime and supporting 200+ active user sessions.

Intelligent Question Generator

- 2025
- AI-Powered Web Application
- Architected an AI-driven question generator using Python, Flask, and NLP, reducing manual question creation time by 80%.
 - Achieved 92% accuracy in NLP-generated questions through optimized preprocessing and modeling.
 - Designed a responsive UI that increased user task completion rate by 40%.

VoiceTextPro

- 2025
- Real-Time Speech-to-Text Converter
- Developed a speech-to-text web app using Web Speech Recognition API, delivering transcription speeds 3× faster than manual note-taking.
 - Improved recognition accuracy by 30% with noise-handling optimization.
 - Boosted mobile responsiveness, increasing mobile usability and engagement by 50%.

Sangam Music

- 2025
- Online Music & Video Streaming Platform
- Produced a multimedia streaming platform integrating YouTube & Spotify APIs, improving media loading efficiency by 45%.
 - Implemented dynamic search, playback, and playlist browsing, increasing user interaction time by 60%.
 - Delivered 100% cross-device compatibility through responsive UI engineering, reducing bounce rate by 35%.

EDUCATION

B.Sc. Information Technology

B.N.N. College, University of Mumbai

2022 - 2025 Bhiwandi, India

CGPA: 9.83 / 10

SKILLS

Programming Languages and Frontend Technologies

HTML5, CSS3, JavaScript, React.js, Python, Flask, Bootstrap, Tailwind CSS, C, C++, Java, C#

Frontend Development

Responsive Web Design, UI Components, DOM Manipulation, Cross-Browser Compatibility, Mobile-First Design

Backend & Server-Side

Python Flask, REST API Development, Server-Side Routing, Authentication (Basic), MVC Architecture (Basic)

Databases & Data Handling

MySQL, PostgreSQL, SQL Queries, CRUD Operations, Database Schema Design, JSON

Tools & Technologies

Git, GitHub, VS Code, Postman, Render Deployment, AJAX, Fetch API, API Integration (YouTube API, Spotify API, Web Speech API)

CERTIFICATION

Full Stack Web Development Certification

NoviTech & Pantech.ai

Data analytics certification

Novitech

Power BI Certification

NoviTech & Satish Dhawale

Artificial Intelligence Certification

Pantech.ai

SQL Certification

Satish Dhawale

Microsoft Excel Certification

Satish Dhawale

KEY ACHIEVEMENTS

Completed 5+ professional certifications across AI, SQL, BI, and Full Stack Development.

Portfolio website received over 500+ views within the first month.

Maintained 100% on-time submission across academic and internship tasks.

Participated in multiple project challenges, improving problem-solving speed by 35%.

Achieved 90%+ success rate across individual and group project completions.
